

The Maya, 2012 and the End of Time

Have you ever heard about the Mayan Culture? Or the Mayan Calendar?

Do you know the Theory of 21 December 2012 end of time?

On **Thursday, 20 December 2012**, the Planetarium Science Center (PSC) will hold a lecture discussing the Theory of End of Time & the Mayan's Calendar, **at the Planetarium theater.**

Mr. JAMES D. EDGAR, an overseas traveler, who is fascinated by mythology and ancient civilizations, will present a unique presentation offering a non-academic introduction to Mayan cosmology, mythology and symbolism, drawing on historical elements. Also, the Center's Astrologist, **Dr. Omar Fikry** will take us on a vast trip in the skies through a brief **Stars Show.**

PROGRAM OF THE DAY

11:00–11:05
